

**Description:** The new Celebration House at Santa's Resort Kakslauttanen is a versatile venue for arranging various kinds of events. This timbered house can accommodate occasions arranged for more than 250 people. Easily adjustable premises can be used as a restaurant, meeting and conference venue, for concerts, weddings and for different launching occasions. The restaurant of the Celebration House is located on two levels. Lappish delicacies are served in the restaurant year-round. Various lunch occasions and evening parties are tailored according to the customers individual needs. Santa's Resort Celebration House is located with good connections to Ivalo airport and Rovaniemi.

**Accommodation:** Hotel and Igloo Village Kakslauttanen. 40 log cabins and 20 glass igloos.  
Coming in year 2012: Igloo Village Santa's Resort with 33 new glass igloos.
